

Husky

IRELAND'S FAVOURITE AND MOST WIDELY GROWN VARIETY

- » Suitable for both spring and autumn sowing
- » For that unique combination of quality grain and consistent high yields across all DAFM sites
- » Best lodging resistance score on the DAFM RL 2018 as well as excellent Mildew resistance and early maturity

DELFIN

Delfin

NEW TO THE MARKET, WITH HIGH TRIAL YIELDS IT IS SURE TO BE A WINNING CHOICE

- » Exceptional high yielding yellow spring oat from Seedtech which is up for DAFM recommendation in 2018
- » New yellow oat to the market demonstrating excellent straw strength
- » Good resistance to Mildew and Crown Rust
