SY ERRIGAL

SPRING BARLEY

SY ERRIGAL is a CONSISTENTLY HIGH YIELDING BARLEY across multiple years and sites.

Named after the picturesque mountain in Donegal, SY ERRIGAL was specially bred for the Irish climate. SY Errigal performance has been 'rock steady' over the past 5 years in DAFM trials, and it has the best lodging resistance of all the varieties on the list, scoring an impressive 7 for lodging resistance.

Pushing for spring barley yields?
